- I. Minutes from the November 29th meeting were discussed and accepted as written.
- II. Review Prohibited Conduct Recommendations
 - Group carefully reviewed the recommendation sheet Scott presented to us and made changes, additions and clarifications
 - Policies were listed and then beneath the policies were the committee recommendations and minimum and maximum sanctions listed

Recommendations:

- Public displays of affections be addressed as a separate policy

The recommendations do seem to be flexible enough to allow for interpretation but not too flexible to allow for loopholes
